MHP INTRODUCES THE PLTW-RECF INDUSTRY CERTIFICATION!

We're thrilled to announce that Madison Highland Prep will be implementing the PLTW-RECF Industry Certification Program on our campus this upcoming school year! This certification aligns perfectly with our mission to equip students with relevant, industry-recognized credentials that will set them apart in the competitive world of STEM.

The REC Foundation partnered with Project Lead The Way (PLTW) to establish an industry-recognized credential that validates a student's skills

and knowledge in robotics and engineering fields. It builds upon PLTW's Fundamentals of Engineering course and incorporates Computer Science, Electrical Engineering, and Mechanical Engineering.

By offering the PLTW-RECF certification, we're giving our students a valuable edge when applying for scholarships, internships, and selective university programs. This certification demonstrates our commitment to providing students with the crucial skills employers and universities are looking for.

EDITION #79 / JULY 2025

Message from the Principal

Dear MHP Families,

We hope you are enjoying your summer break. We certainly miss our day-to-day interactions with our thriving learning community but alas, we have been hard at work preparing for the upcoming school year.

We are excited to be implementing the PLTW-RECF Industry Certification Program on our campus this upcoming school year. This certification aligns with our mission to equip students with relevant, industry-recognized credentials, and gives Madison Highland Prep students a competitive edge for STEM scholarships, internships, and selective university programs.

Girls flag football will be a new addition to our athletic program this year and we are eager to see how our inaugural year goes. Girls interested in learning more about flag football are encouraged to register for our upcoming summer camp which runs from July 14th through July 17th, on campus, from 8 a.m. to 11 a.m.

We look forward to seeing our incoming 9th graders for our upcoming technology check out days on July 9th from 5 p.m. to 7 p.m. or July 22nd from 4 p.m. to 6 p.m. A photographer will also be on campus these days so that our incoming freshmen can have their ID photos taken.

Football, soccer, and aerial drone racing camps have begun. If you are interested in participating in football or soccer, it is not too late to sign up. Pep band, VEX, volleyball, cheer, and basketball camps will be starting in the next couple of weeks. Be sure to contact the office to register. Register My Athlete must be completed for any student participating in a sport camp.

Mark your calendars for Student Orientation, July 30th. Students will be able to pick up their schedules and course syllabi. 9th grade will run from 5 p.m. to 6 p.m. and 10th-12th grade will run from 6 p.m. to 7 p.m.

We are eager to begin the new school year and cannot wait to see what our students will accomplish this year!

Sincerely,

Rosana Rodriguez

Principal

ACADEMIC BULLETIN

Future Freshmen Academy: Preparing for High School

Our first session of Future Freshmen Academy has come to a close, and we are thrilled to report that it was a success. Our incoming freshmen showed incredible dedication as they dove into mathematical concepts. Our second session of Future Freshmen Academy focuses on reading and comprehension skills and is running now through Thursday, July 24th, 2025.

Sophomore, Elyse Attends ASU Future Lawyer Program

Sophomore, Elyse Biersack attended the ASU Future Lawyers Institute, a 4-day program that gave her a glimpse into the world of law. Elyse shared, "I heard from professors, attorneys, and judges... I enjoyed meeting new people and being able to study on a college campus."

Senior, Julitza Awarded \$5,000 ASFF Scholarship!

Congratulations to graduated senior, Julitza Arriaga on being awarded the prestigious Arizona Sustainable Futures (ASFF) Scholarship for \$5,000! We're thrilled to see Julitza's dedication to environmental science and sustainability recognized at this level. As she prepares to attend ASU this fall, we're confident she'll make a positive impact in her field. We're so proud of Julitza's achievement and can't wait to see the amazing things she'll accomplish!

How to Prepare for Fall Sports as a Student Athlete

As a student athlete, preparing for the fall sports season requires a combination of physical training, registration forms, mental preparation, and academic focus. Here are some tips to help you get ready:

- Practice your sport-specific skills and drills by attending sports summer camps
- Stay on top of summer assignments and reading so you are academically cleared
- Schedule a sports physical with your primary doctor or visit a walk-in clinic
- Complete the online Register my Athlete application form
- Fuel your body with a healthy diet and stay hydrated
- Get enough sleep and rest to allow your body to recover

HIGHLIGHTS AT THE PREP

Congratulations, MHP Class of 2025!

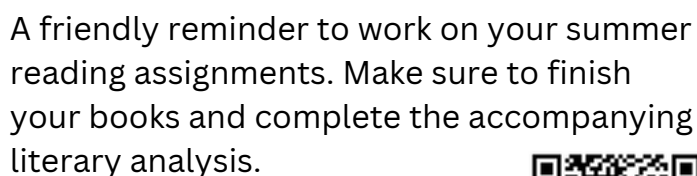

Congratulations to the Madison Highland Prep Class of 2025! We had the pleasure of watching this amazing group of students grow and thrive, and we're beyond excited for their bright futures ahead. They truly made their mark on our school community, and we'll miss their energy and Heat spirit. Once a Heat, always a Heat! Wishing the incredible MHP Class of 2025 all the best as they embark on their next adventure!
